

Concourse™ lite

Syllabus Management - **Simplified**

Concourse™ Lite arms you with the innovation you demand without overshooting your needs. It's never been easier to manage your existing syllabi.

Take advantage of your existing syllabi and processes with a turnkey solution that makes syllabus management more efficient. Concourse™ Lite is an introductory level syllabus management tool, built off of the same great fully-featured Concourse platform, but at a fraction the complexity, manpower, and cost.

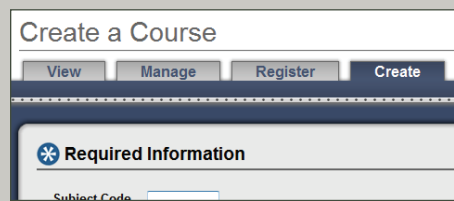

Centralized

Manage syllabi throughout your entire institution from a single platform.

Fast

Get your syllabus collection online within a matter of hours.

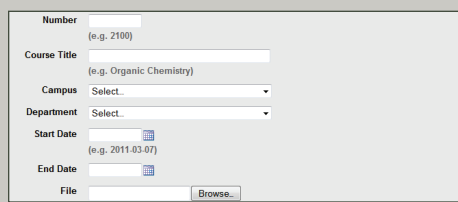

Archive

Store every syllabus indefinitely, for both master templates and individual courses.
